Dear Advisory Committee Members,

As a 25 year resident of Petaluma I've got to register my firm opposition to a proposed Home Depot at the site of the former K Mart store on N. McDowell..... or ANYWHERE in Petaluma for that matter.

There is absolutely no need for this behemoth of a chain store in our city. We have Friedman's that serves our community very well and is extremely successful.

Again, a big NO vote on Home Depot!!

Thank You
