Dear Heather

My name is Stuart Rabinowitsh. I live at 300 Hill Blvd. in Petaluma. I am writing to urge you to change the General Plan Land Use Designation of 910 English Street (Commonly known as English Hill) from R-VL to Open Space.

The zoning should be changed as well, from R1 to OSP (Open Space-Park). These moves would help to preserve this magnificent and historic piece of Petaluma.

Thank you for your consideration of this.

Sincerely

Stuart Rabinowitsh
